YOUR PARTNER IN INDUSTRIAL EXCELLENCE

Siledge Industrial Solutions Ltd is a dynamic and reliable company. It specializes in the supply of high-quality industrial products and engineering solutions. It delivers efficiency, durability, and performance across all sectors it serves.

The company focuses on customer satisfaction. It provides tailored solutions for the unique needs of each client. Its expertise covers industrial spares, equipment supply, maintenance support, and technical services.

Quality you can trust

Genuine components, verified before they ship.

Performance you can rely on

Parts specified for the loads and cycles they will actually see.

Partnership that lasts

The same team, on every order, for the life of the relationship.

Our Vision

To become the preferred industrial solutions partner in Africa. To set the standard for quality, innovation, and customer satisfaction.

Our Mission

To provide dependable, cost-effective, and innovative industrial solutions. These solutions increase productivity and support the growth of client businesses.

QUALITY YOU CAN TRUST

Every bearing, seal, and transmission component we distribute is genuine and verified before it ships, giving manufacturing, agricultural, and transport operators the durability and performance their operations depend on.

BEARINGS

Precision, Durability, Performance

Ball, roller, and thrust bearings specified for the loads, speeds, and duty cycles of manufacturing and processing equipment.

Deep Groove Ball Bearings

Cylindrical Roller Bearings

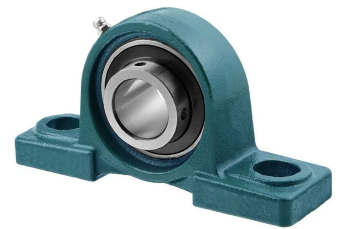

Tapered Roller Bearings

Spherical Roller Bearings

Cam Follower Bearings

Pillow Block Bearings

Thrust Bearings

Adapter Withdrawal Sleeve

SEALS

Leak Protection, Long Life

Oil, hydraulic, mechanical, and pneumatic seals, plus O-rings, that keep lubricant in and contaminants out across industrial and automotive applications.

Hydraulic Seals

Mechanical Seals

Oil Seals

O-Rings

O-Ring Kits

Pneumatic Seals

PULLEYS

Precision, Balance, Efficiency

Taper lock, V-belt, and timing pulleys machined for balanced, low-vibration operation at rated speeds.

Taper Lock Pulleys

V-Belt Pulleys

Timing Pulleys

Flat Belt Pulleys

Idler Pulleys

BELTS

High Quality, Long Lasting

V-belts, timing belts, and conveyor belts
engineered for consistent power transfer
under industrial load.

V-Belts

Timing Belts

Wedge Belts

Flat Belts

Ribbed Belts

Conveyor Belts

AUTOMATION SYSTEMS

Smart Solutions, Reliable Control

Sensors, control panels, and drive components for automating and monitoring industrial processes.

Sensors

Control Panels

Actuators

Variable Frequency Drives

PLC Units

Solenoid Valves
